The MOY

Music for Our Young Foundation • 青年音樂訓練基金

We started in Hong Kong in 2009.

Our Goal: to provide an opportunity for young people, in particular, those from less well off background, to study music, in an environment of strict discipline, and love. A bit like the Outward Bound, but through music.

The MOY now has wings, operating to the same ideal, in China, Singapore, Malaysia, Taiwan, and the United Kingdom.

The MOY Youth Orchestra has one special feature: our young people play both Chinese and western music, and our repertoire covers music from Bach to the Beatles, to pop music.
